Because of many errors from 1875 to present the amounts shown on duplicate tax maps of Cumberland are practically all incorrect. The above acreages are corrected as shown on actual plat presented to Auditor this day.  
All land in James A. Cumberland's name was actually transferred to Caroline & Cumberland by will in 1918. See deed book S.V. page 120. Caroline, at death, owned 41.56 acres in Demastros Survey in fee and all other tracts were held by her for life and then to the heirs of her body. See affidavit of Traugott to Clark D. Cumberland et al and deed to Robert S. Crowell & Jessie Crowell for complete information about all past transfers.
